## ABOUT DOM

Dom is a proud father and husband. He is dedicated to looking after his family, his well being and just being a good Kiwi bloke.

Outside of his home life Dom is a registered clinical psychologist. His education began at Otago University and later on, Waikato.

Currently Dom works in private practice with a broad range of psychological difficulties and has particular interest in clinical, sleep and sport/performance psychology.

His sporting principles are to learn to be courageous, be curious and be obsessed with improvement.
